The Financial Department ~~will~~ may agree to the proposal contained in para 1 of G. O. ~~No.~~ ——— ——— ——— of 28th April 1917, that the cost of the Local Funds Branch of the Dy. Comrs. should in future be wholly charged to the Dt. Funds, the establishment required for municipal work being considered separately.

Reg P

2. In view of the changes in the administration of Local Funds involved in the Local Self Govt. Scheme sanctioned in G.O. of 15th Nov. 1916 ~~under~~ and of the desirability of securing an efficient and contented establishment for working the scheme, the establishment of the Local Board Branch of the Dy. Commrs. Office may require to be revised, the pay and prospects of the staff being also suitably improved.

Reg V

3. The Financial Branch will have ~~no~~ no objection to the proposal to ~~the~~ have three classes ~~of~~ for determining the establishment of the Local Board Branch of the Dt. Board Office as proposed viz.- heavy, ~~medium~~ (ordinary) and light now to the scale of establishment proposed in the said G.O. and generally accepted by the Dy. Commrs, as the change is entirely borne by the Dt. Funds.

Shicks Speaking, no

4. The following suggestions are however offered for the consideration of the

L.S. File No 104 of 1916

Administrative Deptt.

(1) It would perhaps be simpler to have only two scales of establishment viz.- heavy and ordinary instead of three classes.

2) The scale proposed for the ordinary ~~establishment~~ district would do for the heavy district and that for the light for others.

(3) At present the Local Fund Branch of the Dt. offices consists of 6 clerical hands including a Record Keeper on Rs.10/-, and on this establishment has devolved all Dt. Fund Work, the brunt of the Municipal work of Dt. Hd. Quarter Towns, and controlling and supervising work of other municipalities in the district; all work connected with the exercise of the powers of the Dy. Commr. under the municipal regulation in respect of municipalities and Dt. Boards is also being done in this Branch. Municipal and Dt. fund work is looked after by this office.

Roughly the distribution of the hands has been as follows:-

2 for municipal work.
3 - Dt. Fund ,,
1 - plague, sanitation & other mis. work.

(4) In the course of my inspection as Officer in charge of Local Audit Deptt. in the Comptroller's Office, I often noticed that the Local Fund clerk of the ~~Treasury~~ taluq Office was, in several of the ~~treasuries~~ places I visited, not quite conversant with the rules and regulations relating

L. B. File No 102 of 1916

to Dt. and Municipal Funds and that consequently this work in the Dy. Commr's. offices was often heavier than it should otherwise be.

(5) With the revision of the ~~treasury~~ salary est. and the grant of suitable staff to Sub Division Officers and the reduction of ~~all~~ municipal work it doest not appear that 6 hands are ~~necessary~~ new for purely Dt. Fund work in a Dy. Commr's. office, even under the new scheme. For

(6) When the new scheme of decentralisation in re: the taluk boards and union Panchayets, having their separate budgets and funds for administration, is brought into effect, there will be material decrease of work in the Local Board Branch of the Deputy Commissioner's Office ~~as~~ and the fact that it is under consideration to give a suitable establishment to Sub Division Officers and Amildars as ~~XXXXXXXXX~~ Presidents of Taluks Boards, has also to be taken into account. In my Committee

(7). The the establishment will be paying Rs. 70 p.m. and paid by that fund, it might commence from MRN.2 an administrative point of view to adopt an arrangement similar to that is contained in Rule 802 C.S.R of permitting the Dt. Boards to contribute for pension ~~for~~ by paying a Contribution of ½ of the establishment
